Declaration of Consent

We hereby authorize the German National Library of Medicine (ZB MED) to mirror

- o all freely accessible electronic publications
- o the following freely accessible electronic publication(s):

.....
contained within our website in order to provide free-of-charge public access to said
publication(s) on the Internet through ZB MED's own servers.

To facilitate this procedure, we hereby grant ZB MED the non- exclusive right to publish
and reproduce the publication(s) and the right to make the publication(s) publicly
available. These rights are granted for an indefinite period and may be revoked.

Furthermore, we hereby assure ZB MED that no third-party rights will be infringed by
publishing said publication(s) or making said publication(s) available in the public
realm.

Electronic documents are fully protected under copyright law.
